**14th International Congress of the Radiation Protection Association
9 - 13 May 2016, Cape Town – South Africa**

Young Professional Award Nominees

Dear Colleagues

We are delighted to inform you of nominees for the Young Professionals Award.

We congratulate them on their nomination and wish them the best of success.

Purpose of the Award:

Processes that involve radioactive material and radiation require qualified scientists and professionals in the field of radiation protection and safety. The purpose of this award is therefore to promote investigation into radiation protection and all its related disciplines by young scientists and professionals. The IRPA Young Professionals Award renders an opportunity to present the work in an oral form to an experienced international audience of experts and peers.
